Position of double sockets

These plans are provided as a guide only, to help make planning an event as easy as possible in the main Forest Hall. The Forest Hall has 28, 6ft tables available for your use along with 150 chairs (more can be made available but may attract an additional charge - please ask at time of booking) Please ensure that all fire exits are kept clear, and that sufficient space is given for people to move around as appropriate.

If seating people around tables, factor this into your plan. Please see the graphic showing a table with six seats.
